

OS120FM product information sheet

The OS120FM is a large full motion mount designed with patented technology and precise engineering, making positioning a TV smooth and easy while ensuring that it stays in the desired place. Quality craftsmanship ensures a dependable performance for the lifetime of the product.

Product Benefits

- Low profile design nests TV close to the wall
- Tilts to reduce screen glare
- Pans left and right between rooms or seating areas
- Fluidly repositions TV and holds in desired position
- Lift n' Lock™ enables easy 3-step installation
- Special channel routes cables from TV to wall
- Leveling feature for fine-tune adjustments
- Die-cast arm for strength and style
- High-quality design for long-term performance
- Includes all necessary hardware for TV and mount
